- Rescue Services Agreement

Summary Statement/Background:

Since the founding of Palmer Fire & Rescue, Palmer firefighters have been responding to motor vehicle accidents within the City of Palmer. In the late 1960s and early 1970s, when the relationship was established with the Greater Palmer Fire Service Area (GPFSA), Palmer firefighters began responding to rescue calls throughout the GPFSA and other rescue response areas inside the Matanuska Susitna Borough. In 1980, Palmer Fire realized that specialized tools were needed to extricate entrapped victims from vehicle accident scenes. After several years, the City was able to purchase a vehicle dedicated to rescue and vehicle extrication duties. In the 1980s, training for rescue technicians was standardized, and since then Palmer rescue responders must undergo rigorous, ongoing training to meet certification requirements.

There is no change to this agreement from the previous one.
