Summary Statement: On January 26, 2016, the City Council approved AM No. 16-014, authorizing the City Manager to negotiate and execute a Palmer Municipal Airport lease to ADD Investments, LLC. This lease was on a newly converted lease lot from the old Apron D small aircraft tie down space. On February 1, 2016, a new lease was executed for a lease lot with dimensions of 126' X 550'. When considering a 120' X 120' building as outlined in the original lease, on a 126' wide lot with a 10' building set back and taxiway set back requirements, the lease lot will not accommodate the proposed building or aircraft type (Turbo DC3).

To remedy this situation ADD Investments, LLC would like to lease proposed Lease Lot 7A (Approximately 6.93 acres) off of Cope Industrial Way next to Hageland Maintenance Group. They would also like a first right of refusal option on proposed lease lot 7B (Containing approximately 5.035 acres) which is adjacent. Due to the nature of the problem with the original lease lot on old Apron D and the cost of development associated with proposed lease lot 7A, the following good faith effort is proposed in the Replacement Lease Agreement No. 16-001 attached.

- The City of Palmer will share the geotechnical costs at 50% with ADD Investments, minus the cost of the aviation set back diagrams and alternatives provided by HDL for the City of Palmer in an amount not to exceed \$12,000.00 taken as a \$1,000.00 per year reduction on the lease payment received from ADD Investments.
- To compensate for the much higher development costs associated with Lease lot 7A, ADD Investments will receive a graduated lease rate as follows:
 - \$0.04 cents per square foot for the first five year period
 - \$0.05 cents per square foot for the next five year period
 - \$0.055 cents per square foot for the next five year period
 - After 15 years, the lot will be subject to the same fair market evaluation as all other lease lots on the Airport.

With the above schedule incorporated into the new Replacement Lease Agreement, it is anticipated that this lease will generate at least \$207,000.00 in lease revenue to the airport over the first 15 years of this lease. Aeronautical side access will be given through the proposed Large Aircraft Apron expansion as seen in the attached diagram and incorporated into the upcoming Rehabilitation & Repaving Project for Runway 16/34 to be completed by the fall of 2017.

This Large Aircraft Apron expansion project within the larger project has been preliminarily approved by the FAA with the final award and grant anticipated in May or early June, 2017.

Administration Recommendation: Authorize Action Memorandum No. 16-090.

- B. Provided Lessee fully and faithfully performs all of the covenants and conditions contained herein for the term of the Lease, Lessor may approve an additional period of 20 years at the expiration of this Lease so that the total number of years available to Lessee is 50 years. As with the initial term at the start of and continuing through the renewal period,
1. The rental rate will continue to be subject to changes as provided in Section 1.4 "Rent Adjustment,";
 2. The renewal insurance provision as provided in Section 4.3 will apply along with any other changes made in accordance with Section 4.3;
 3. The Lease will be subject to such other and further changes as are deemed necessary by Lessor for the reasonable protection of Lessor;
 4. In addition, if this Lease is renewed, it shall be subject to all provisions of the Palmer Municipal Code and to the City's Regulations that pertain to the Airport in effect at the time of the renewal or amended thereafter. Including but not limited to the current airport regulations.

Section 1.3 Rent

{As offset to development costs associated with Lease Lot 7A, Lessor grants Lessee a graduated reduction in rental price per square foot and a predetermined fixed rate for the first fifteen (15) years of this lease agreement as follows: Current market value of lease lots at the Palmer Municipal Airport range from \$0.06 to \$0.08 per square foot. Lessee will receive a reduction of rental rate for lease lot 7A and will be charged \$0.04 fixed for the first partial five year period, the second five years will receive a discounted fixed rate of \$0.05 per square foot, and the third five years at a discounted fixed rate of \$0.055 per square foot.}

- A. Lessee shall pay to the Lessor as rent during the term hereof the sums as follows below and continuing on the same day of each and every year thereafter during the term of the lease at the office of the Lessor set forth in Section 7.8 or at such other place as the Lessor may designate in writing.
1. Lessee shall pay \$12,083.00 per year, payable annually in advance without demand, beginning July 1, 2017 and continuing on the same day of each year until July 1, 2020. In addition, Lessee shall pay the prorated amount from execution of lease to July 1, 2017 (\$12,083.00 - \$5,543.92 Pro-rated from original lease payment the sum of \$6,539.08).
 2. Lessee shall pay \$15,104.00 per year, payable annually in advance without demand, beginning July 1, 2021 and continuing on the same day of each year until July 1, 2025.

3. Lessee shall pay \$16,614.00 per year, payable annually in advance without demand, beginning July 1, 2026 and continuing on the same day of each year until July 1, 2030.
 4. Lessee shall also receive a reduction of \$1,000.00 per year in annual lease payment to compensate for one half (½) of the engineering expenses incurred for original lease lot development on Apron D. The sum total of all annual lease rate reductions shall not exceed \$12,000.00
 5. Failure to pay rent by the thirteenth day after the due date shall obligate the Lessee to pay a late charge of \$100.00, which sum is agreed to a reasonable estimate of the Lessor's damages for late rental payments and shall not be construed as a penalty or a limitation on Lessor's remedies.
 6. This late charge is in addition to a 12 percent daily interest rate.
- B. All rent shall be payable in current legal tender of the United States. Payment may be tendered by check, but payment shall not be made in fact until such check has been honored by the drawee bank. The tender of payment by check within the time provided shall be deemed sufficient to meet any due date only if the check is subsequently honored by the drawee bank and the Lessor subsequently receives the legal tender required by this Lease. Any subsequent dishonor and non-receipt of rent payment shall constitute a default of this Lease.
- C. The extension of time for the payment of any installment of rent, or the acceptance by the Lessor of any money other than of the kind herein specified, shall not be a waiver of the right of the Lessor to insist on all other payments of rent to be made in the manner and at the time herein specified. The acceptance by the Lessor of a past due installment payment shall not waive the Lessor's right as to any other default or breach of the Lease.
- D. The rent herein specified shall be net to the Lessor and such payment shall not be subject to any abatement, deduction or off set except as otherwise provided in this Lease.
- E. All taxes, charges, costs, expenses, utilities and assessments which the Lessee is required to pay hereunder, and all damages, costs and expenses which the Lessor may incur by reason of any default of the Lessee or failure on the Lessee's part to comply with the terms of the Lease, shall be deemed to be additional rent and in the event of nonpayment by the Lessee, the Lessor shall have all the rights and remedies with respect thereto that the Lessor has for the nonpayment of the basic rent.

Section 1.4 Rent Adjustment

- A. It is the intent of the parties that the Palmer Municipal Airport be a self-sustaining facility and operate without any support from the general fund of the Lessor.
- B. The rent shall be subject to adjustment at five (5) year intervals to achieve fair market rent, the first adjustment date is fifteen (15) years following the first prorated annual payment. The rent shall be adjusted as follows:
1. Six (6) months prior to the termination of the initial fifteen (15) year period and any subsequent five (5) year period, Lessor shall propose the rent for the next five (5) year period of the lease term and the parties hereto may, by mutual agreement, set the rent for the five (5) year period.
 - a. If an agreement is not reached ninety (90) days prior to the end of the current five (5) year period, the fair market rental value of the premises shall be determined by an appraiser selected by the lessor who shall (a) be a member of The American Institute of Real Estate Appraisers, and (b) have experiencing in appraising properties similar to the premises. (The "Qualified Appraiser"). The cost of the initial appraisal shall be born equally

between Lessor and Lessee. If either the Lessor or Lessee or both shall disapprove of the fair market rental of the premises as thus determined, the dissatisfied party(s) may then designate another Qualified Appraiser who shall conduct a second (or additional) independent appraisal(s) of the premises and the fair market rental of the premises shall be determined to be the average of the two appraisals. The cost of the additional appraisal shall be borne by the dissatisfied party. In the event that both the Lessor and the Lessee are both dissatisfied with the original appraisal than the cost of, the second appraisal shall be borne equally between the Lessor and Lessee.

2. Lessor's failure to timely start this rent adjustment procedure does not affect the rent adjustment, other than that the rent shall not be adjusted for the period before Lessor starts the procedure for each five-year period.
 - a. If, for example, Lessor starts the rent-adjustment procedure for the first time on the first day of the seventh year of the lease term, then the rent shall remain unchanged for the previous six years.
 - b. Any adjustment in Section 1.4 would start as of the first day of the seventh year and remain in effect through year ten when Lessor could again start the rent-adjustment procedure.
- C. During the pendency of any determination of fair market rent, Lessee shall pay the rent last in effect for the Premises until such determination has been made. Any deficiency between the rent so paid and the adjusted rent retroactive to the beginning of the period for which it is due shall be paid within thirty (30) days of being billed to Lessee with interest from the original due date of such rent at the highest rate allowed by law for debts under \$25,000 or twelve percent (12%) per annum, whichever rate is lower.

Section 1.5 Determination of Fair Market Rent

- A. Fair market rent shall not include any return on improvements placed on the Premises by the Lessee or its predecessors in interest, but shall include a return for improvements placed on the Premises by the Lessor or otherwise belonging to Lessor.
- B. The parties acknowledge that certain property at Palmer Municipal Airport may not currently and may not in the future be leased for a fair market rent.
- C. The returns received by Lessor from other aviation Leases at Palmer Municipal Airport, therefore, shall not be used exclusively by the appraiser to determine a fair market rent.
- D. Any appraisal of the Premises shall consider any limitation or restriction on use imposed under this Lease or pursuant to any patent, deed, lease or grant from or agreement with the United States to the Lessor, including but not limited to aviation restricted use.
- E. Lessor shall send written notice to Lessee of the amount determined to be the fair market rent together with a copy of the appraisal.

 2. Failure of the Airport Superintendent to inform the Lessee in writing of his or her objections within twenty (20) days shall constitute the Airport Superintendent's and the Department of Community Development's approval.
- B. The Airport Superintendent's and Department of Community Development's approval of the conceptual plans submitted by Lessee shall not constitute the assumption of any liability of Lessor for their compliance or conformity with applicable building codes, zoning regulations, and/or city, borough, state and federal laws, ordinances and/or regulations, or for their accuracy.
1. Lessee shall be solely responsible for such plans.
 2. The Airport Superintendent's and Department of Community Development approval of such plans shall not constitute a waiver of Lessor's right to thereafter require Lessee to amend the same to provide for any corrections or omissions needed to comply with applicable building codes, zoning regulations, city, borough, state or federal laws, ordinances or regulations.
 3. The review and approval required by this section is in addition to any other review and approval needed for any required building permits or similar authorization.

- B. Thereafter the Lessee at the Lessee's own expense shall proceed promptly with preparation of complete and final plans and complete detailed specifications (such plans and specification hereafter termed "final plans") for the Improvements and shall submit to the Airport Superintendent for the Airport Superintendent's approval the final plans as soon as practicable.
- C. The failure of the Lessee to proceed promptly with the preparation of final plans or to submit final plans as required by this section shall constitute a default and breach of this Lease and shall enable the Lessor to terminate this Lease on ten days written notice.

Section 2.5 Airport Superintendent's Approval

The Airport Superintendent shall not unreasonably withhold his or her approval to any conceptual plans, specifications, any plans and detailed drawings, or any final plans or complete detailed specifications.

Section 2.6 Compliance with part 77 FAR

Therefore, Lessee has 24 months to fully complete improvements as previously described in section 2.1.  - 2. The City obtains at the Lessee's expense, a policy of title insurance from a recognized Title Company doing business in the Matanuska Susitna Borough naming the City as the insured beneficiary of the first deed of trust in the amount of the estimated cost of all improvements.

Section 2.12 Inspection

During construction, the Lessor shall have the right, from time to time, to inspect the Improvements and in the event that during the construction or at any time prior to the issuance of a final certificate of occupancy, the Lessor determines that the Improvements are not being constructed in accordance with the plans and specifications specified in this lease, Lessor may give notice in writing to the Lessee specifying in detail the particular deficiency, omission or other respect in which the Lessor claims construction does not meet the plans and specifications. - D. All uses normally incidental to an airport such as car rental agencies, limousine service, restaurants, insurance sales, and other such incidental services not directly related to the

- maintenance and operation of aircraft are prohibited except when the Airport and the FAA have established that a specific facility is not currently needed for aeronautical purposes.
- E. Any non-aeronautical use must be limited and incidental.
 - F. Any non-aeronautical use must be approved by the Airport Superintendent and the FAA in writing prior to its commencement.
 - G. Any approved non-aeronautical use will be allowed only on an interim basis and will be phased out if aeronautical demand increases.
 - H. If a non-aeronautical use is approved, the rent provided in section 1.3 shall be increased to reflect the fair market value of the portion of the Premises used for non-aeronautical uses.
 - I. Requests for non-aeronautical uses will be made first to the Airport Superintendent and if approved by the Airport Superintendent and FAA, the non-aeronautical use and the conditions associated therewith will be detailed in an addendum to this Lease.
 - J. Lessee shall not use or permit any part of the Premises to be used for any unlawful purpose of or for any purpose or use that may constitute a nuisance or hazard to health, safety, or property.
 - K. Lessee shall not use or allow the Premises or any part thereof to be used or occupied for any purpose in violation of any law, lawful order, or rule or regulation concerning the operation or use of Palmer Municipal Airport.

Section 3.2 Compliance with Laws

Lessee shall comply with all laws now or hereinafter in effect affecting the Premises or Lessee's use or occupancy thereof, including but not limited to Palmer Municipal Airport Regulations; PMC 12.08; and PMC 17 all as may be amended from time to time.

Section 3.3 Hazardous Materials

- A. Neither Lessee nor Lessee's agents shall cause or permit any Hazardous Materials or Substances to be brought upon, generated, stored, disposed of, or used in or about the Premises by Lessee, its agents, employees, contractors, or invitees without the prior written consent of Lessor.
- B. Lessee shall demonstrate to Lessor's reasonable satisfaction that such Hazardous Materials or Substances are necessary to Lessee's business and will be used, generated, disposed of, and stored in a manner that complies with all laws regulating any such Hazardous Materials or Substance so brought upon, generated, stored, disposed of or used in or about the Premises.
- C. Lessor may, at its option require Lessee to provide annual reports, submitted with the annual rent payment.
- D. The Lessee will report the kinds and quantities of Hazardous Materials or Substance on the Premises and how the Lessee complies with applicable laws regarding disposal.
- E. If Hazardous Material or Substances have been used, generated, disposed of or stored in or about the Premises during the term of this Lease, Lessor may, at its election, have any environmental assessment performed of the Premises, at the Lessee's expense, at the termination of this Lease or termination of Lessee's right to possession under this Lease.
- F. If any of the following occur;
 - 1. Lessee breaches the obligations in this section;
 - 2. The presence of Hazardous Material or Substance on the Premises caused or permitted by Lessee results in contamination of the Premises or contamination of any other property at the Palmer Municipal Airport; or

3. Contamination of the Premises or any other property at Palmer Municipal Airport by Hazardous Material or Substance otherwise occurs for which Lessee is legally liable to Lessor for damage resulting therefrom;
 - a. Then Lessee shall indemnify, defend, and hold Lessor harmless from any and all claims, judgments, damages, penalties, fines, costs, liabilities, or losses including, without limitation, diminution in value of the Premises, damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises, damages arising from any adverse impact on marketing of space, sums paid in settlement of claims, attorneys' fees, appellate attorney's fees, consultant fees, expert fees, costs incurred in connection with any investigation of site conditions or any clean-up, remedial, removal, or restoration work required by any federal, state, or local governmental agency or political subdivision because of Hazardous Material or substance present in the soil or groundwater on or under the Premises which arise during or after the Lease term as a result of such contamination.
- G. Without Limiting the foregoing, if the presence of any Hazardous Material or Substance on the Premises caused or permitted by Lessee results in any contamination of the Premises or any other property at the Palmer Municipal Airport, Lessee shall promptly take all actions at its sole expense as are necessary to return the Premises and/or other property to the condition existing prior to the introduction of any such Hazardous Material or Substance; provided that Lessor's approval of such actions shall first be obtained, which approval shall not be unreasonably withheld so long as such actions would not potentially have any material adverse long-term or short-term effect on the Premises or other property.
- H. As used herein, the term "Hazardous Material or Substance" shall be interpreted broadly to include, but not limited to, substances designated as hazardous under the Resource Conservation and Recovery Act, 42 USC Section 6901 et seq., the Federal Water Pollution Control Act, 33 USC Section 1257 et seq. the Clean Air Act, 42 USC Section 2001 et seq the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 USC Section 9601 et seq., Title 46 of the Alaska Statutes, or by any applicable federal, state, or local statute, regulation or ordinance now or hereafter in effect and as they may be amended or interpreted from time to time.
- I. The provisions of this Section 3.3 shall survive any termination of Lessee's right to possession of the Premises and/or termination of this Lease.

Section 3.4 Americans with Disabilities Act

Lessor and Lessee agree that as allowed by 28 C. F. R. S. 36.201(b), Lessee shall be responsible for all compliance responsibility under the Americans with Disabilities Act (42 U.S.C. S 12101 et. Seq.) related to Lessee's use and occupancy of the Premises. Lessee agrees to defend, indemnify and hold Lessee harmless from any claim, demand, or action, either by a private person or a governmental entity, under said Act due to failure to comply with the terms of said Act. The provisions of this Section 3.4 shall survive termination of Lessee's right to possession of the Premises and/or termination of this Lease.

Section 3.5 Reservations and Exceptions

This Lease is made by the Lessor and accepted by the Lessee conditioned upon and subject to any conditions, reservations, limitations, provisions or terms imposed upon the Premises of Palmer Municipal Airport, as contained in any grant (including any monetary grant or loan), lease,

permit, patent, deed, or any other conveyance to the Lessor of the Premises, or of Palmer Municipal Airport, from the United States, or the State of Alaska, including their agencies. In the event that any such condition, reservation, limitation, provision or term shall prevent, without fault of the Lessor, this Lease from continuing in full force and effect, the Lessor shall have the option to terminate this Lease immediately (and at any time) without liability to the Lessee therefor.

Section 3.6 Subordination of Lease to Requirements of the Federal Aviation Administration

- A. This Lease shall be subordinated to the provisions of any existing or future agreements between the Lessor and the United States, relative to the operation or maintenance of Palmer Municipal Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development or operation of Palmer Municipal Airport.
- B. In connection therewith, the Lessor has undertaken and may in the future undertake certain obligations respecting its operation of Palmer Municipal Airport and activities of its contractors, Lessees and permittees thereon. The performance by Lessee of the covenants, promises and obligations contained in this Lease is therefore a special consideration and inducement to this Lease. Lessee further covenants and agrees that if the administrator of the Federal Aviation Administration, or any other governmental official or body having jurisdiction over the enforcement and the obligations of the City in connection with the Federal or State aid, shall make any orders, recommendations or suggestions respecting the performances by Lessee of its obligations under this Lease, Lessee shall promptly comply therewith, at the time or times when and to the extent that the Lessor may direct.

Section 3.7 Aircraft on Premises

The Lessee shall provide the Airport Superintendent a list showing all aircraft on the Premises for any purpose, together with the aircraft type, model and number, the name and address of the owner, the purpose of the aircraft being on the Premises, and such other information concerning its identification thereof as the Airport Superintendent shall deem necessary.

Section 3.8 Discriminatory Acts Prohibited

- A. The Lessee shall furnish any service to be rendered by the Lessee in connection with or upon the Premises on a fair, equal and not unjustly discriminatory basis to all users thereof. In performing such services Lessee shall charge fair, reasonable and not unjustly discriminatory prices or rates for each unit of service furnished, provided the Lessee may take reasonable and nondiscriminatory discounts, rebates or other similar types of price reductions to volume users or purchasers.
- B. The Lessee, in its use and occupancy of the Premises, shall not discriminate against any person or class of persons by reason of race, color, creed or national origin, or by reason of any other basis that is illegal or becomes illegal during the term of this Lease, any extension, or any holdover period.
- C. The Lessor upon ten (10) days' notice to the Lessee of any violation of this section shall request that the Lessee either correct or justify any practice or charge alleged as a violation.
- D. In any proceeding whatsoever the burden of justification shall be on the Lessee to show that the practice or charge does comply with the requirements of this section. The Lessee,

within ten (10) days after receipt of the notice, shall comply with the request or submit to the Lessor its justification in writing. The Lessor shall submit its findings and decision as to any alleged violation within fifteen (15) days after the receipt of the Lessee's justification, and such findings and decision of the Lessor shall be final. The Lessee shall waive any defense that the alleged violation is justified, unless the Lessee, in writing, notifies the Lessor within ten (10) days of its objections to any request for compliance or to any adverse findings and decision.

- E. The Lessor, at its option, may forthwith terminate this Lease without any liability to Lessee thereunder for failure by Lessee without justification to comply with Lessor's request for compliance within the time set forth in the request or the findings and decision to correct the alleged violation.

Section 3.9 Affirmative Action

- A. The Lessee assures that it will undertake an affirmative action program as required by 14 CFR Part 152, Subpart E, to insure that no person shall on the grounds of race, creed, color, national origin, or sex be excluded from participating in any employment activities covered in 14 CFR Part 152, Subpart E. The Lessee assures that no person shall be excluded on these grounds from participating in or receiving the services or benefits of any program or activity covered in this subpart. The Lessee assures that it will require that its covered sub-organizations provide assurances to the Lessor that any similarity will undertake affirmative action programs and that they will require assurances from their sub-organizations, as required by 14 CFR Part 152, Subpart E, to the same effect.
- B. The Lessor upon ten (10) days' notice to the Lessee of any violation of subsection A shall request that the Lessee either correct or justify any practice or charge alleged as a violation. In any proceeding whatsoever, the burden of justification requirement of subsection A, the Lessee within ten (10) days after receipt of the notice, shall comply with the request or submit to the Lessor its justification in writing. The Lessor shall submit its findings and decision as to any alleged violation within fifteen (15) days after the receipt of the Lessee's justification, and such findings and decision of the Lessor shall be final. The Lessee shall waive any defense that the alleged violation is justified, unless the Lessee, in writing, notifies the Lessor within ten (10) days of its objections to any request for compliance or to any adverse findings and decision.
- C. The Lessor, at its option, may forthwith terminate this Lease without any liability to Lessee thereunder for any failure by Lessee without justification to comply with Lessor's request for compliance within the time set forth in the request of the findings and decision to correct the alleged violation.

Section 3.10 Maintenance of Premises

- A. Lessee shall repair and maintain the Improvements in good order and repair and keep the Premises in a neat, safe, clean and orderly condition. Such obligation shall include, but not be limited to, the prevention of the accumulation of any refuse or waste materials which might be or constitute a fire hazard or a public or private nuisance.
- B. In the event that Lessee does not properly repair and/or maintain the Improvements or Premises, the Airport Superintendent shall notify the Lessee in writing of those areas that are not being properly repaired and/or maintained.
- C. If, however, after 60 days, Lessee fails to make such repair and/or maintenance, Lessor may cause to have such repair and maintenance made and invoice the Lessee for the repair and maintenance completed.

- D. If said costs are not paid promptly by Lessee, the lease shall be deemed to be in default, and Lessor shall be entitled to all legal remedies provided hereunder.
- E. Lessee shall neither cause nor allow any waste of the Premises or Improvements. In addition, Lessee shall be strictly liable for any waste of the Premises or Improvements and for any damage to reversion.

Section 3.11 Signs

- A. Lessee shall not, without Lessor's written consent, place or erect any sign of any nature on any part of the Premises, but such consent shall not be unreasonably withheld to one flat sign of reasonable size bearing the Lessee's trade name, providing such sign meets all city zoning and sign requirements.
- B. At the termination of this Lease, any such sign shall be removed by Lessee at Lessee's own expense.
- C. Lessee shall apply for a sign permit from the Department of Community Development and shall comply with Palmer Municipal Code.

Section 3.12 Improvements and Alterations

After the initial improvements set forth in Article II have been completed, and if the Lessee desires to construct further improvements:

- A. Prior to commencing construction, renovation, enlargement, demolition, or modification of leasehold improvements now or hereafter existing on the Premises, Lessee shall submit to the Airport Superintendent plans and specifications for such work (including plans for landscaping and irrigation, if any) and timeline for various phases of work.
- B. The Airport Superintendent shall approve or disapprove such plans and specifications and accompanying timeline at his or her sole discretion.
- C. Upon Lessee's receipt of the Airport Superintendent's written approval of such plans and specifications, Lessee agrees to construct the proposed leasehold improvements in strict accordance with such plans and specifications and timeline.
- D. The Airport Superintendent's approval of submitted plans and specifications shall not constitute the assumption of any liability by Lessor for their compliance or conformity with applicable building codes, zoning regulations, and city borough, state and federal laws, ordinances and regulations, or for their accuracy, and Lessee shall be solely responsible for such plans and specifications.
- E. The Airport Superintendent's approval of plans and specifications shall not constitute a waiver of Lessor's right to therefore require Lessee to amend the same to provide for any corrections or omissions needed to comply with applicable building codes, zoning regulations, city, borough, state or federal laws, ordinances or regulations.
- F. The review and approval required by Section 3.12 is in addition to any other review and approval needed for any required building permits or similar authorizations.
- G. Lessee shall obtain all necessary licenses and permits to accomplish any of the work described in Section 3.12. Nothing in this Lease is intended to limit or restrict the City of Palmer in the exercise of its police power, authority to enforce building, fire and other safety codes, laws, ordinances, or regulations.
- H. Lessee agrees to comply with the notification and review requirements covered in part 77 of the Federal Aviation Regulations prior to the construction of the Improvements and prior to the construction of any future building or structure situated on the Premises.
- I. Any contract or agreement for labor, services, materials or supplies furnished in connection with construction or alteration of any improvement to the Premises shall provide that no lien,

claim or other encumbrance shall thereby be created, or arise, or be filed by anyone thereunder upon or against the Premises or the improvements.

- J. Before the commencement of any such work, Lessee shall deliver to Lessor either an executed duplicate original of such contract or a written waiver by the architect, engineer, contractor, material man, mechanic, person or corporation named in such contract of all right of lien which he or it might otherwise have upon or against the Premises, or the improvements to be constructed or altered, or the interest of Lessor therein.
- K. Lessee hereby warrants to Lessor that the Premises and all such other improvements thereto, shall be free and clear of all liens, claims and encumbrances and agrees to indemnify, defend and hold Lessor harmless from and against any and all losses, damages and costs, including reasonable attorneys' fees and appellate attorneys' fees, with respect thereto.
- L. If any lien or notice of lien on account of the alleged debt of Lessee or lien or notice of lien by any party engaged by Lessee or Lessee's contractor to work on the Premises shall be filed against the Premises or improvements, Lessee shall cause the same to be discharged of record by payment, deposit, bond, order of court or competent jurisdiction or otherwise.
- M. The work, if funded by Lessee in excess of \$100,000, as described in this lease document shall not begin until the Lessee or Lessee's contractor has provided to the Lessor a performance guarantee in the form of a performance bond, escrow, an irrevocable letter of credit, or deed of trust in an amount equal to 110% of the estimated cost of the Improvements greater than \$100,000 to be accomplished, which guarantees the completion of the work by Lessee or Lessee's contractor in accordance with the plans and specifications approved by Lessor and guarantees the payment by Lessee or Lessee's contractor of all subcontractors' charges and all other persons and firms supplying services, labor, materials or supplies in connection with the work, in a form approved by the City.
- N. The work, if funded by an Alaskan Financial Institution on behalf of the Lessee in excess of \$100,000, as described in this lease document shall not begin until the Lessee's Financial Institution has provided to the Lessor a "Letter of Guarantee" in an amount equal to 100% of the cost of improvements in a "Construction Escrow Account" and guarantees the payment by Lessee, Lessee's Contractor or Lessee's Financial Institution of all subcontractors' charges and all other persons and firms supplying services, labor, materials or supplies in connection with the work, in a form approved by the City.
- O. All alterations, buildings, structures or other improvements placed on the Premises by Lessee shall be subject to section 7.6 of this Lease.

Section 3.13 Quiet Possession

The Lessee, upon paying rent and observing the conditions and terms of this Lease, shall and may have at all times during the term of this Lease peaceful and quiet enjoyment and possession of the Premises, except as otherwise set forth in this Lease.

Section 3.14 Lessee's option to Terminate

- A. Should any government body, agency, or official, other than Lessor, prohibit or otherwise prevent the use of Palmer Municipal Airport in its present condition as a public airport for one year or more, or should the continued use of Palmer Municipal Airport as an airport become impossible or unlawful without the fault of the Lessee, the Lessee shall have the option to terminate this Lease on thirty (30) days written notice to the Lessor.
- B. Upon such termination, this Lease shall be at an end, and neither party shall have any liability for such termination.

- C. The Lessor shall notify the Lessee in writing, of the prohibition, or intended prohibition, and the failure of the Lessee to exercise the option to terminate within thirty (30) days shall extinguish the Lessee's option to terminate.

Section 3.15 Lessor's Option to Terminate

- A. Lessee hereby grants to Lessor should it require the Premises in connection with the future expansion and/or operation of the Airport prior to the expiration or termination of the Lease, Lessor may, upon ninety (90) days written notice, cancel this Lease.
- B. In the event that this Lease is canceled under the provisions of this Section, Lessor shall pay to Lessee the fair market value of Lessee's remaining leasehold interest and the fair market value of Lessee owned buildings, structures, alterations and/or improvements placed by Lessee upon the Premises during the term of this Lease.
- C. The fair market value shall be determined by following the appraisal procedure set forth determination of the fair market rental of the Premises in Section 1.4 of this Lease.
- D. After payment therefore as provided herein, all buildings, structures, alterations and/or improvements shall be subject to the provisions of section 7.6 of this Lease.

Section 3.16 Right of Entry and Access

- A. Lessee hereby grants to Lessor, its contractors, employees, agents and assigns, the irrevocable right, permission and authority to enter into and upon all or part of the Premises for the purpose of:
 - 1. Inspecting the Premises;
 - 2. Cleaning, repairing, maintaining, altering or improving the Premises as Lessor may deem necessary;
 - 3. Abating any nuisance or hazardous condition on the Premises, and/or
 - 4. Preserving and/or protecting the Premises.
- B. It is understood and agreed that the entry and access may affect the use of the Premises from time to time. Lessor shall use reasonable efforts to coordinate any anticipated access or utility or other interruptions with Lessee in an attempt to reasonably reduce the effect of any disruption of Lessee's enjoyment and use of the Premises.
- C. The right of access and entry reserved herein does not impose, nor does Lessor assume by reason thereof, any responsibility for the care, maintenance or supervision of the Premises. Lessee shall not be entitled to any abatement or reduction in rent by reason of Lessors access and/or entry nor shall such access or entry be deemed an actual or constructive eviction.

Section 3.17 Lessor's Improvements

- A. Lessor shall have a permanent right of access over, under, around and across the Premises for the purposes of maintaining, servicing, upgrading, replacing or removing any Lessor-installed improvements including, but not limited to, light poles, utilities, and fencing.
- B. This section does not require Lessor to provide any improvements.
- C. Lessor's maintenance shall not include paving, aircraft tie downs, snow removal or sanding.
- D. All improvements constructed by the Lessor shall at all times remain the property of Lessor and may be maintained, upgraded, serviced or removed at Lessor's convenience and discretion.
- E. Lessor agrees to use reasonable efforts to notify of any upgrading, replacing or repair work with Lessee and to reasonably reduce disrupting Lessee's use of the Premises when practicable.

- F. In the event of abandonment or default, any Lessee improvement will become the property of the Lessor.

Section 3.18 Aviation Easement

Lessee's right to use the Premises for the purposes as set forth in this Lease shall be secondary to and subordinate to the operation of the airport. Lessor specifically reserves for itself, other Palmer Municipal Airport leaseholders, and for the public, an easement for the passage of aircraft in the air space above the surface of the described property together with the right to cause in said air space or on adjacent property such noise as may be inherent in the present or future operation of aircraft. Without in any way limiting Lessor's rights under Section 3.12, Lessee shall not construct any building or facility to a height which in Lessor's discretion will interfere with the operations of the airport.

Section 3.19 Right-of-Way and Easement

Lessor shall have the right to designate or grant rights-of-way or utility easements across the Premises without compensation to Lessee, provided that Lessee shall be entitled to compensation for the taking or destruction of any of Lessee's improvements and provided further that Lessee may terminate the Lease or demand a rental adjustment to reflect any reduction in value of the Premises.

ARTICLE IV - TAXES, INDEMNIFICATION, AND INSURANCE

Section 4.1 Taxes, Assessments, and Utilities

- A. Lessee, in addition to the rentals provided for herein, shall pay when due (and before delinquency) all taxes, utility fees, assessments, and charges upon the Premises, the leasehold interest, and upon buildings, improvements and property thereon, which are assessed or charged at any time during the term.
- B. The Lessee shall furnish to the Lessor for Lessor's inspection within thirty (30) days after the date any amount payable by the Lessee as required by this section, official receipts from the appropriate taxing authorities or other proof satisfactory to the Lessor evidencing payment.
- C. The Lessee shall have the right at all times to protest any assessment of taxes or other assessments or charges, but the Lessor may require the Lessee to deposit with the Lessor any sums in dispute to insure payment in the event that any contest is unsuccessful.
- D. Lessee shall pay and be responsible for all charges for gas, electricity, water, light, heat, power, garbage, solid waste, and other utility service used in or about or supplied to the Premises.
- E. Lessee shall timely pay all sales tax on the rent on the lease, utilities, sales, service, rents, etc., and shall comply with City and Borough sales tax laws.

Section 4.2 Indemnification

Lessee shall indemnify, defend and hold Lessor harmless from all liability or loss (including, but not limited to reasonable attorneys' fees and appellate attorneys' fees) arising from any injury to any person or persons (including without limitation Lessee, its agents or employees) or property of any kind whatsoever while in, upon, or in any way connected with the Premises during the term of this Lease, or any use or occupancy hereunder, however occurring, including any acts, negligent or otherwise, and any omissions (negligent or otherwise), by Lessee, its agents,

independent contractors, or employees, unless caused by or resulting from the sole negligence of the Lessor or any of Lessor's agents or employees.

Section 4.3 Insurance

- A. **Prior to the Commencement of Construction and no later than June 1, 2017**, the Lessee, at its own expense, shall secure and maintain in full force at all times during the term of this Lease:
1. Commercial general liability. Commercial general liability insurance with a single occurrence liability limit of \$1,000,000 and an aggregate of \$2,000,000 insuring against liability of Lessee, its officers, contractors, licensees, agents, employees, guests, invites and authorized representatives, arising out of and/or in connection with Lessee's use or occupancy of the Premises; or
 2. Airport premises liability. Airport premises liability insurance on an occurrence basis with a single combined liability limit of not less than \$1,000,000 occurrence and \$2,000,000 aggregate limit for bodily injury and property damage.
 3. If applicable, third-party aircraft liability insurance with a single combined liability limit of not less than \$1,000,000 per occurrence;
 4. Commercial property insurance in the amount of replacement costs.
 5. The Lessor reserves the right to require Lessee to provide pollution insurance as warranted by the proposed use of the Premises.
- B. This insurance required under this Section shall:
1. Name the Lessor as an "additional insured"
 2. Contain a clause that the insurer will not cancel or change the insurance without first giving the Lessor thirty (30) days prior written notice;
 3. Be with an insurance company qualified to do business in the State of Alaska with a financial rating of at least "A" as rated in current Best's Insurance Reports;
 4. Include a waiver of subrogation clause by which the insurer waives all rights of subrogation against the Lessor for payments made under the policy; and
 5. Not contain a damage deductible for each and every loss that exceeds \$10,000.
- C. Lessee shall provide Lessor with proof of insurance coverage in the form of a certificate of insurance, and if requested by the Lessor, Lessee shall provide Lessor with a copy of the policy(ies). Failure to maintain such insurance in effect shall constitute grounds for immediate termination of this lease. Lessor may at its option purchase said insurance and charge the expense thereof to Lessee, which expense Lessee shall assume and pay.
- D. To reasonably protect itself, Lessor may adjust these minimum insurance requirements and add types of insurance or both by giving Lessee written notice of such adjustment ninety (90) days prior to the expiration of each five (5) year interval of the term of this Lease. Lessor may also adjust these minimum insurance requirements at any time if Lessee's use of the Premises changes, and in such event, Lessor shall give Lessee thirty (30) days written notice of such adjustment.
- E. The requirements of insurance coverage do not relieve Lessee from any other obligation under this Lease.

ARTICLE V - ASSIGNMENT AND SECURITY INTERESTS

Section 5.1 Assignment and Subletting

- A. Lessee shall not voluntarily assign or encumber its interest in this Lease or in the Premises or sublease all or any part of the Premises, or allow any other person or entity to occupy

or use all or any part of the Premises without first obtaining Lessor's prior written consent. Lessor will not unreasonably withhold its consent; provided, however, if Lessor does unreasonably withhold its consent, Lessor shall not be liable for any damages, costs or attorney's fees arising therefrom.

1. Lessor may condition its consent upon such terms as are in its best interest, including but not limited to matters regarding laws, insurance, risks, Lessee's defaults or past practices, risks attributable to assignee, etc., but Lessor may not condition its consent upon raising the rent other than as already allowed under this Lease.
 2. Any assignment, encumbrance or sublease without Lessor's consent shall be voidable and, at Lessor's election, shall constitute a default.
 3. No consent to any assignment, encumbrance or sublease shall constitute a further waiver of the provisions of this section.
- B. If Lessee is a partnership or limited liability company, a withdrawal or change, voluntary, involuntary or by operation of law, of any partner or partners, member or members owning twenty-five percent (25%) or more of the partnership or LLC in one or more transactions, or the dissolution of the partnership or LLC, shall be deemed a voluntary assignment.
- C. If Lessee is a corporation any dissolution, merger, consolidation or other reorganization of Lessee, or the sale or other transfer of a controlling percentage of the capital stock of Lessee in one or more transactions, or the sale of twenty-five percent (25%) of the value of the assets of Lessee in one or more transactions without immediate replacement with assets of equal or greater worth, shall be deemed a voluntary assignment.
- D. Lessee hereby irrevocably assigns to Lessor, as security for Lessee's obligations under this Lease, all rent from any subletting of all or a part of the Premises, and Lessor, as assignee and attorney-in-fact for Lease, may collect such rent and apply it toward Lessee's obligations under this Lease, except that, until the occurrence of an act of default by Lessee, Lessee shall have the right to collect such rent as it becomes due, one payment period at a time, which payment period may never exceed one year.
- E. Lessee may not charge a sub-lessee a rent rate that changes from year to year, other than changes that result directly from changes made by Lessor, and Lessee shall never have the right to collect or receive rent in advance of when it is due. If the sub-lessee pays Lessee in advance and Lessor collects rent hereunder, then the sub-lessee must pay the advanced rent to Lessor and sub lessee may retrieve the advanced rent from Lessee. Neither this section nor collection of any such rent by Lessor shall be deemed to be Lessor's approval of any such sublease.
- F. If, as a result of an assignment or sublease, the Premises will be used for purposes other than as set forth in section 3.1 herein. The consent of the Palmer City Council and the FAA, if applicable, must be obtained. It is the policy of the City of Palmer to discourage non-aviation related uses. Additionally, if incremental revenues over and above the Lessee's Lease payments will be realized from the sublease or assignment pertaining to non-aeronautical uses, Lessor may raise Lessee's existing rent to fair market value at the time of the approval of the sublease.
- G. All assignment instruments shall include language whereby Assignee expressly assumes and agrees to pay the obligations of Lessee under this Lease.
1. No assignment shall release or diminish the obligations of any Lessee or any Guarantor for performance of Lessee's obligations hereunder and Lessee shall remain liable as if no assignment were made.
 2. Lessee and Assignee will be jointly and severally liable for such obligations.

3. Neither this section nor any payment of rent by such Assignee shall be deemed to be Lessor's approval of any such assignment.
- H. All sublease instruments shall provide that the sublease is subject to all of the terms, covenants and conditions of this Lease.
- I. Lessee agrees to pay to Lessor \$500 for any request by Lessee for Lessor to consent to any assignment or subletting by Lessee.

Section 5.2 Mortgage and Encumbrances

- A. Lessee shall not mortgage or otherwise encumber this Lease (including Lessee's leasehold estate in the improvements thereon) without the prior written consent of Lessor.
- B. The Lessor's consent to the mortgage or encumbrance shall not be unreasonably withheld, provided the mortgage or beneficiary shall agree to the attached form of Assignment of Lease for Security Purposes and Consent to Assignment of Lease attached hereto as Exhibit C.
- C. Lessee shall furnish the Lessor with a copy of any security transaction, mortgage or encumbrance of the Premises for the Lessor's approval prior to any mortgage or encumbrance of the Premises, and shall further furnish a copy to the Lessor of any such executed security transactions.

ARTICLE VI - DEFAULT AND ENFORCEMENT

Section 6.1 Default Defined

The occurrence of one or more of the following shall be deemed a default by the Lessee and a breach of this Lease:

- A. Failure to pay the rent provided herein, or any part thereof, or other charge due hereunder, for a period of ten (10) days after written notice of such failure is given by Lessor to Lessee;
- B. Failure to perform the obligations set forth in Sections 3.8, 3.9, and 3.10 hereof, after any notice required by those sections;
- C. Failure to provide and maintain in effect **insurance** in compliance with Section 4.3 hereof **(for which failure there is no notice time requirement)**;
- D. Failure to do, observe, keep and perform any other terms, covenants, conditions, agreements and provisions contained in this Lease for a period of thirty (30) days after written notice of such failure is given by Lessor to Lessee, or, in the case of a default not reasonably susceptible of being cured within thirty (30) days (which does not include any default which may be cured by the payment of money), failure to commence promptly and proceed diligently and in good faith to cure such default within the initial thirty (30) days and complete such cure within a total of sixty (60) days after the sending of the notice;
- E. The abandonment of the premises by the Lessee, the making by the Lessee of a general assignment for the benefit of creditors, or the appointment of a permanent or temporary receiver for the Lessee's property, which is not vacated or set aside within thirty (30) days of sending of written notice of such event by Lessor; or
- F. The issuance of three (3) written notices for defaults or breaches within any consecutive twelve-month period, regardless of whether or not the default or breach was cured within the applicable time period.

Section 6.2 Lessor Remedies on Default

Upon the occurrence of any default of Lessee as described in Section 6.1 hereof or elsewhere in this Lease, Lessor shall have the option to pursue any one or more of the following remedies without any notice or demand whatsoever:

- A. Lessor may, at its election, terminate this Lease or terminate Lessee's right to possession only, without terminating this Lease.
- B. Upon termination of this Lease, whether by lapse of time or otherwise, or upon any termination of Lessee's right to possession without termination of this Lease, Lessee shall surrender possession and vacate the Premises immediately, and deliver possession thereof to Lessor, and Lessee hereby grants to Lessor full and free license to enter into and upon the Premises in such event with or without process of law and to repossess Lessor of the Premises and to expel or remove Lessee and any others who may occupy or be within the Premises and to remove and all property therefrom, without being deemed in any manner guilty of trespass, eviction or forcible entry or detainer, and without incurring any liability for any damage resulting therefrom, Lessee hereby waiving any right to claim damage for such re-entry and expulsion and without relinquishing Lessors right to rent or any other right given to Lessor hereunder or by operation of law.
- C. Upon any termination of this Lease, whether by lapse of time or otherwise, Lessor shall be entitled to recover:
 1. The worth at the time of the award of the unpaid rent (including any amounts treated as additional rent) that had been earned at the time of termination;
 2. The worth at the time of the award of the amount by which the unpaid rent (including any amounts treated as additional rent) that would have been earned after the date of termination until the time of award exceeds the amount of the loss of rent for the same period that Lessee proves could have been reasonably avoided;
 3. The worth at the time of the award of the amount by which the unpaid rent (including a reasonable estimate of additional rent) for the balance of the term exceeds the amount of the loss of rent for the same period that Lessee proves could have been reasonably avoided; and
 4. Any other amount, full reasonable attorney's fees and court costs, necessary to compensate Lessor for all detriment proximately caused by Lessee's default.
- D. "The worth at the time of the award," used in this section, is to be computed by allowing interest as determined by the current bond rating from State of Alaska Municipal Bond Bank plus 5%. The "time of the award" is the date the Lessee is notified of the termination of the lease by the Lessor. Such notification shall be done by certified mail.
- E. Upon any termination of Lessee's right to possession only without termination of this Lease, Lessor may, at the Lessor's option enter into the Premises, remove Lessee's signs and other evidences of tenancy, and take and hold possession thereof as provided in this section, without such entry and possession terminating this Lease or releasing Lessee, in whole or in part, from any obligation, including Lessee's obligation to pay the rent, including any amounts treated as additional rent hereunder, for the full term.
- F. Upon termination of Lessee's right to possession, Lessor may, but need not, relet the Premises or any part thereof for such rent and upon such terms as Lessor in its sole discretion shall determine (including, but not limited to, the right to relet the Premises for a greater or lesser term than that remaining under this Lease, the right to relet the Premises as a part of a larger area, and the right to change the character or use made of the Premises) and Lessor shall not be required to accept any tenant offered by Lessee or to observe any instructions given by Lessee about such reletting.

- a. In any such case, Lessor may make repairs, alterations and additions in or to the, Premises, and Lessee shall, upon demand, pay the cost thereof, together with Lessor's expenses of reletting.
 - b. If the consideration collected by Lessor upon any such reletting plus any sums previously collected from Lessee are not sufficient to pay the full amount of all rent, including any amounts treated as additional rent here under and other sums reserved in this Lease for the remaining term hereof, together with the costs of repairs, alterations, additions, and Lessor's expenses of reletting and the collection of the rent accruing therefrom (including attorneys' fees), Lessee shall pay to Lessor the amount of such deficiency upon demand and Lessee agrees that Lessor may file suit to recover any sums falling due under this subpart from time to time.
- E. Lessor may, at Lessor's option, enter into and upon the Premises, with or without process of law, if Lessor determines in its sole discretion that Lessee is not acting within a commercially reasonable time to maintain repair or replace anything for which Lessee is responsible hereunder and correct the same, without being deemed in any manner guilty of trespass, eviction or forcible entry and detainer and without incurring any liability for any damage resulting therefrom and Lessee agrees to reimburse Lessor, on demand, as additional rent, for any expenses which Lessor may incur in thus effecting compliance with Lessee's obligations under this Lease.
- F. Any and all property which may be removed from the Premises by Lessor pursuant to the authority of this Lease or of law or in equity, to which Lessee is or may be entitled, may be handled, removed and stored, as the case may be, by or in the direction of Lessor at the risk, cost and expense of Lessee, and Lessor shall in no event be responsible for the value, preservation or safekeeping thereof.
- 1. Lessee shall pay to Lessor, upon demand, any and all expenses incurred in such removal and all storage charges against such property so long as the same shall be in Lessor's possession or under Lessors control.
 - 2. Any such property of Lessee not retaken by Lessee from storage within thirty (30) days after removal from the Premises shall conclusively be presumed to have been conveyed by Lessee to Lessor under this Lease as a bill of sale without further payment or credit by Lessor to Lessee; provided, however, Lessor may disclaim as to any item or items and the effect of such disclaimer will be that the item or items never became the property of Lessor.
- G. Pursuit of any of the foregoing remedies shall not preclude pursuit of any of the other remedies herein provided or any other remedies provided by law or equity (all such remedies being cumulative), nor shall pursuit of any remedy herein provided constitute a forfeiture or waiver of any rent, additional rent or other sum due to Lessor, hereunder or of any damages accruing to Lessor by reason of the terms, provisions and covenants herein contained.
- H. No act or thing done by Lessor or its agents during the term hereby granted shall be deemed a termination of this Lease or an acceptance of the surrender of the Premises, and no agreement to terminate this Lease or an acceptance of the surrender of the Premises shall be valid unless in writing signed by Lessor.
- I. No judicial action shall be necessary to terminate this Lease.
- J. No waiver by Lessor of any violation or breach of any of the terms, provisions, and covenants herein contained shall be deemed or construed to constitute a waiver of any other violation or breach of any of the terms, provisions and covenants herein contained.

- K. Lessors acceptance of the payment of rental, including any amount treated as additional rental, or other sums hereunder after the occurrence of an event of default shall not be construed as a waiver of such default, unless Lessor so notifies Lessee in writing.
- L. Forbearance by Lessor to be deemed or construed to constitute a waiver of such default or of Lessor's right to enforce any such remedies with respect to such default or any subsequent default.
- M. If, on account of any breach or default by Lessee in Lessee's obligations under the terms and conditions of this lease, it shall become necessary or appropriate for Lessor to employ or consult with an attorney concerning this Lease or enforce or defend any of Lessor's rights or remedies hereunder, Lessee agrees to pay any attorneys' fees and appellate attorneys' fees so incurred.
- N. Lessor shall not be responsible or liable for any failure to relet the Premises or any part thereof, or for any failure to collect any rent due upon such reletting.

Section 6.3 Lessor's Failure to Enforce and Nonwaiver

- A. Failure by the Lessor to insist the strict performance of any term, condition or covenant of this Lease or to exercise any right or remedy available on a breach thereof, and acceptance of full or partial rentals during the continuance of any such breach shall not constitute a waiver of any such breach or any such term, condition or covenant.
- B. Terms, conditions or covenants of this Lease required to be performed by the Lessee, and breach thereof, shall not be waived, altered or modified, except by written instrument executed by the Lessor.
- C. Waiver of any breach shall not affect or alter any term, condition or covenant of this Lease, and each such term, condition or covenant shall continue in full force and effect with respect to any other then existing or subsequent default or breach thereof, and any other or subsequent default or breach may be enforced by the Lessor as provided in this Lease.

ARTICLE VII - GENERAL COVENANTS

Section 7.1 Condition and Status of Premises

Section 7.2 Risk of Loss

Destruction or damage to any building or improvement on the Premises by fire, rain, ice, snow, windstorm, earthquake, aircraft accident, or any other casualty or action of the elements shall not entitle the Lessee to surrender possession of the Premises, to terminate this Lease, to violate any of its provisions, or to cause any rebate or abatement in rent when due or thereafter becoming due under the terms hereof.

Section 7.3 Repair or Rebuilding

Section 7.4 Condemnation

- A. If all the Premises, or any part thereof required for the reasonable use of the Premises, is taken by eminent domain, this Lease shall expire on the date when the Lessee is required to vacate the Premises, and the rent shall be apportioned as of that date.
- B. If there is a taking of a part of the Premises not required for the reasonable use of the Premises, then this Lease shall continue in full force and effect and the rent shall be equitably reduced, based on the proportion by which the Premises is reduce, such rent reduction to be effective as of the date possession of such portion is delivered to the condemning authority.

Section 7.5 Surrender of Premises

At the expiration of any Lease term, upon termination of this Lease, upon reentry by Lessor or otherwise, the Lessee shall peacefully and quietly surrender the Premises in as good a condition as it was at the beginning of the initial term, reasonable use and wear and damages by the elements excepted.
