## *How did we do in 2018?*

January is month of new resolutions and reflections of the past.

Before we close out the year, let's take a trip into the past and check what the City of Palmer did in 2018.

## *We Finished the Waste Water Treatment Plant Upgrades*

## *We installed New Signs around the City*

This charitable event has a history that is at least a decade old. Every year Community Development and the Fire Department adopt families through CCS Early Learning. CCS provides

a list of family needs. Employees shop, wrap presents, and share a meal with adopted families. Thanks to Community Development, the Fire Department and to all who make it happen.

*Christmas Wrapping Party*
