Fall at the Palmer Library

The Friends of the Palmer Library wish to thank everyone who was involved in and who attended the Community Resource Fair that was hosted at the Depot on October 8th.

October CHILL at the Palmer Library found our young adults honing their forensic and critical thinking skills. Participants were tasked with sorting through evidence that may or may not have been relevant to the cold case of Mr. Beeta Negg, world famous chicken circus trainer. We hunted for clues in the initial police report, medical examiner's report, old witness statements, and new evidence collected from shredded paperwork &

donated books. Some questions were answered. Many questions were not! Participants correlated evidence to conclude

the medical examiner's report was incorrect, and deduced that Mr. Negg's death could have been intentional or accidental with more evidence needed to be sure. While this exercise did not wrap up neatly like a T.V.

crime show, it did give a glimpse into the real world of investigation.

*"Last but not
Least..."*

This year's Oktoberfest 4-Person Scramble was held on Sunday, October 1st. It was a beautiful fall day with a record number of 28 teams consisting of 112 players. We served brats/hot links with traditional sauerkraut and German potato salad. Each team brought a dessert Potluck style. This year's gross division champion was the team of Jung Han, Dunston Wagoner, Jake McGraw and Chad Griffith with a score of 57. The net division winning team was Rob Nelson, JD Mitchell, Alena Voigt and Don Voigt with a score of 51.75. This was our final tournament for the 2017 season. The golf course will remain open

until the weather makes it unplayable. We are still running our Fall Merchandise Sale with golf balls, apparel, clubs and golf bags all 25% off. The clubhouse will be open from 11am-5pm each day for anyone interested in shopping. Please call 745-4653 for updates on course conditions.

MTA Event Center Kicks off

There is always something to do in Palmer and "when one door closes another door opens". The MTA Event Center opened their door last month and promises a lot of entertainment this coming season. For those who like winter sports, the MTA Event Center is a perfect place to be. You can visit the arena to watch the games, participate in public skate, or have a birthday party there.

Space, tables and skate rentals come in one affordable package. Fun on the ice comes free!

Visit the Center because it looks amazing and is ready for the season thanks to the staff who worked hard all summer long. The arena has new, crystal clear glass that was installed around the ice rink

this past summer and is a diamond in an 'icy crown' that the MTA staff is very proud of.

On October 14th the Palmer MTA Event Center hosted Olympic Silver Medalist, Kerry Wieland. Kerry skated with all the kids giving them instruction and inspiration. It was very beneficial for them to meet Kerry and see how hard work pays off with silver or gold.
