Ordinance No. 16-018

#### Summary Statement:

Personnel code (PMC 4.50.050 D 3) designates the City Manager as the hearing officer for adverse actions. Code as currently written prevents the City Manager from participating or providing direction on personnel matters that could potentially be appealed to a hearing officer.

The recommended change to Title 4.50.050 and 4.50.060 allows the Department Directors to consult with the City Manager on personnel issues as well as allowing the City Manager to advise on or direct actions without impeding a potential appeal process.

Administration Recommendation: Authorize Ordinance No. 16-018.

Introduced by: City Manager Wallace Date: October 25, 2016 Public Hearing: November 8, 2016 Action: Vote: Yes: No:

#### CITY OF PALMER, ALASKA

#### Ordinance No. 16-018

An Ordinance of the Palmer City Council Amending Palmer Municipal Code Sections 4.50.050 Department Director Procedure for Imposing Adverse Action and 4.50.060 Classified Employee's Right to a Hearing on Department Director's Intent to Impose Adverse Action

THE CITY OF PALMER, ALASKA ORDAINS:

<u>Section 1.</u> Classification. This ordinance shall be permanent in nature and shall be incorporated into the Palmer Municipal Code.

<u>Section 2</u>. Severability. If any provision of this ordinance or any application thereof to any person or circumstances is held invalid, the remainder of this ordinance and the application to other persons or circumstances shall not be affected thereby.

<u>Section 3</u>. Section 4.50.050 is hereby amended to read as follows (new language is underlined and deleted language is stricken out):

#### 4.50.050 Department director procedure for imposing adverse action.

- A. Except as provided in PMC 4.50.030, before notifying an employee of intent to impose adverse action, a department director must consult with the personnel officer, <u>city manager</u>, and city attorney. Thereafter, the department director shall:
  - 1. Give written notice to the employee of the charge or charges against the employee;
  - 2. Explain to the employee the basis, i.e., the evidence, supporting each charge; and
  - 3. Allow the employee a reasonable opportunity to present his or her employee's side of the story. If the employee requires time to prepare the presentation, up to three days shall be provided. Such presentation shall not be prepared on city's premises. The employee, at his or her employee's own expense, may be represented by counsel.
- B. After steps in subsections (A)(1) through (3) of this section have occurred, the department director shall <u>consult with the city manager and city attorney and</u> determine in writing:
  - 1. Whether there are reasonable grounds to believe the charges against the employee are true; and
  - 2. Whether the charges support the adverse action.

- C. Only after the procedures in subsection (A) of this section have been completed may the department director notify the employee of intent to impose adverse action.
- D. The notice of intent to impose adverse action shall notify the employee:
  - 1. Of the department director's intent to impose a specified adverse action on the employee;
  - 2. Of the statement of cause for the action including the determination of items in subsection (A) of this section;
  - 3. That the employee has the right to a hearing before <u>a hearing officer</u> the city manager to contest the imposition of the adverse action; and
  - 4. That if the employee does not deliver a written request for the hearing to the city manager within two working days after service upon the employee of the notice of intent, the adverse action shall be imposed and the employee shall have waived all right of appeal.
- E. For administrative investigation purposes only, a department director may require written statements from any employee, including the charged employee, describing or explaining the charged employee's conduct or omissions at any time. Failure by any employee to provide a complete and truthful statement may be grounds for expedited discharge.

<u>Section 4</u>. Section 4.50.060 is hereby amended to read as follows (new language is underlined and deleted language is stricken out):

### 4.50.060 Classified employee's right to a hearing on department director's intent to impose adverse action.

- A. An employee who has received a notice of intent to impose adverse action has the right to a hearing before the city manager <u>a hearing officer</u> in accordance with the provisions of this section.
- B. <u>Hearing officer appointment.</u>
  - To be appointed as a hearing officer, a person must possess knowledge of this title, personnel regulations, and principles of due process. A hearing officer may not act as hearing officer in any case in which there is any direct or indirect financial interest, and must certify to the absence of any such interest before receiving the appeal record on a form provided by the city clerk. A hearing officer may not be a current city employee or a current member of the council or commission.
  - 2. <u>A hearing officer shall be impartial in all decisions, both in fact and in appearance. The hearing officer shall not engage in ex-parte contact with any person concerning the appeal either before or after the appeal hearing.</u>
  - 3. <u>The city clerk shall solicit persons who are willing to serve as hearing officers, and shall maintain a list of interested persons determined to be qualified.</u>
  - 4. <u>Upon an appeal being filed, the city manager shall appoint the hearing officer and shall</u> report the appointment to the council.
- B. The employee's request for a hearing on a notice for intent to impose adverse action must be in writing, signed by the employee or counsel and delivered to the city manager within two working days of receipt of written notice of the adverse action. Employee's failure to request a hearing within the time and manner provided shall be deemed a waiver of his or her employee's appeal rights and to any appellate review to which he or she the employee might have otherwise been entitled; and the department director's action becomes final.
- C. If the employee duly delivers his or her a request for hearing, the department director's imposition of adverse action is stayed pending decision by the city manager hearing officer.

The city manager <u>hearing officer</u> will hold a hearing within five working days from date of receipt of the request. The city manager <u>hearing officer</u> may extend in writing the hearing date, but no extension of more than 10 working days shall be granted. The city manager <u>hearing officer</u> shall duly notify the employee of the date, time and place of the hearing.

- D. The employee, at his or her employee's own expense, may be represented by counsel.
- E. If the employee wishes to question another employee or employees (other than the city manager), the city manager will, if practical, provide for the employee's attendance for questioning at no cost to the charged employee. The employee must notify the hearing officer, city manager and the department director of the names of the employee(s) at least three working days before the hearing or this right is waived. The city manager hearing officer may determine the relevancy of evidence.
- F. The hearing shall be closed unless the charged employee has requested otherwise.
- G. The city manager may retain the services of an attorney or other person to assist in conducting the hearing and making the decision.
- H. All testimony shall be under oath. The proceedings shall be recorded. Upon written request, the employee is entitled to a recorded copy of the proceedings at no charge. The <u>city</u> <u>manager</u>, department director or representative and the <del>city manager</del> <u>hearing officer</u> <del>or</del> <del>representative</del> may examine and cross examine witnesses.
- Exhibits may be introduced. Exhibits to be provided at the hearing by either party must be provided to the other party two working days prior to the hearing. The rules of evidence need not be strictly followed. Irrelevant or unduly repetitious evidence may be excluded. The factual record is closed at the close of the hearing. The city manager hearing officer may continue the hearing for good cause.
- <u>IJ</u>. The order of presentation is:
  - 1. Brief opening statement by the department;
  - 2. Brief opening statement by the employee, which is optional;
  - 3. Presentation of evidence by department;
  - 4. Presentation of evidence by employee;
  - 5. Rebuttal as necessary;
  - 6. Argument by department;
  - 7. Argument by employee;
  - 8. Rebuttal argument by department.
- JK. The department director must prove by a preponderance of the evidence the factual basis upon which he or she imposed the adverse action was imposed.
- KL. Within five working days from the conclusion of the hearing, the city manager hearing officer shall render a written decision which shall be effective immediately or according to the terms of the written decision. The city manager hearing officer may not increase the severity of the adverse action, but may approve it or modify any part. A copy of the city manager's hearing officer's decision shall be furnished to the employee. The department director's written determination and statement of cause, all written documents considered by the city manager hearing officer, and his or her the hearing officer's decision shall be filed in the employee's personnel record file.
- <u>LM</u>. The city manager's <u>hearing officer's</u> final decision must notify the employee in writing of the provisions in subsection (MN) of this section.
- MN. An employee who is dissatisfied with the city manager's <u>hearing officer's</u> decision may appeal it to the superior court in Palmer. The appeal must be filed within 30 days of employee's receipt of the decision. Employee's failure to appeal within this time constitutes

a waiver of his or her the employee's appeal rights and the city manager's hearing officer's decision becomes final.

<u>Section 5</u>. Section 4.50.070 is hereby amended to read as follows (new language is underlined and deleted language is stricken out):

#### 4.50.070 City Manager procedure for imposing adverse action.

- A. Except as provided in PMC 4.50.030, this section applies to the following employees: executive secretary admin assistant to the city manager, airport superintendent and human resources specialist.
- B. The city manager shall follow the procedures set forth in PMC 4.50.060 050.
- C. The city manager's final decision must notify the employee in writing of provisions of PMC4.50.060(M).
- D-C. An employee who is dissatisfied with the city manager's final decision may appeal as provided in PMC 4.50.060. Appeals must be filed within 30 days of employee's receipt of the final decision. Employee's failure to meet the applicable deadline constitutes a waiver of his or her appeal rights and the city manager's final decision becomes final.

E. The appeal shall be before an independent hearing officer appointed by the city council.

#### F. The hearing officer's decision shall be final.

<u>Section 6.</u> Effective Date. Ordinance No. 16-018 shall take effect upon adoption by the City of Palmer City Council.

Passed and approved this \_\_\_\_\_ day of \_\_\_\_\_, 2016.

Bid Tabulations

**Summary Statement:** Snow Removal of City Facilities is an annual contract the City awards and the Contractor will be used on an "on-call" basis. In the past, the City has used a snow removal contractor for snowfalls of two inches or more. This contract is slightly different. The City proposes to hire two part-time temporary workers to help with snow removal and other winter maintenance items/events this winter. This contract is additional help for larger snow events, that Public Works cannot handle on its' own in a timely manner.

An invitation to bid posted on September 15, 2016, was advertised twice in the Frontiersman newspaper and closed on October 4, 2016. Two bids were received and reviewed by City staff. White Knight Services had the lowest, responsive, responsible price per snow event and it is recommended that the contract be awarded to them. The contract term will be for one year with three one-year renewal options. The Maintenance Superintendent of Public Works will be responsible for overseeing the contractor's work.

Administration Recommendation: Authorize Action Memorandum No. 16-072.

- Ordinance No. 16-017
- Planning and Zoning Commission Minutes for July 21, August 18 & September 15, 2016 (Draft Minutes Excerpt)

**Summary Statement:** The Planning and Zoning Commission has recommended this amendment to clarify the Code by deleting commercial recreational facilities from paragraph 17.57.040(G) and adding Small Agricultural Event Center as a separate listed conditional use in the AG-Agricultural district.

**Background:** A property owner contacted our office for clarification regarding the interpretation of commercial recreational facilities as a conditional use in the AG-Agricultural district.

Staff reviewed conditional uses in the AG-Agricultural district in Palmer Municipal Code Title 17.57.040, commercial recreational facilities is found in paragraph G.

### 17.57.040 Conditional uses.

G. Hospitals, cemeteries, mental health facilities, commercial recreational facilities, sanitariums, residential care facilities, special needs day care facilities, nursing homes, convalescent homes and homes for the aged;

Commercial recreational facilities are not defined in PMC Title 17 Zoning nor is it similar to the rest of the conditional uses listed in paragraph G of PMC 17.57.040. Staff reviewed similar uses in other states and presented language to the Planning and Zoning Commission for their review and input.

After much discussion with the Planning and Zoning Commission beginning at the July 21 meeting, the Commission decided to delete the term commercial recreational facilities in its entirety. The Commission crafted a definition for small agricultural event center that would help to buffer noise and restrict activity to indoors; and they moved the placement of this use to be a separate listed conditional use in the Agricultural district.

Administration Recommendation: Adopt Ordinance No. 16-017.

H. UNFINISHED BUSINESS:

 Review and approve changes to Ordinance No. 16-0xx amending Palmer Municipal Code Chapter 17.57 AG-Agricultural District to add 17.57.015 Definitions to include Small Agricultural Event Center; and amending Chapter 17.57.040 Conditional uses to delete Commercial Recreational Facilities and add Small Agricultural Event Center as a separate listed conditional use in the AG-Agricultural district to be listed as 17.57.040(O).

<u>Staff Report</u>: Director Garley reported that this item was discussed and postponed from the previous meeting to allow staff to make recommended changes. Those changes are brought before the Commission in the proposed ordinance for further review and approval. The two Commission-recommended changes were: 1) 17.57.015 Definitions: "Small Agricultural Event Center" means a facility located on agriculturally zoned land of ten (10) acres or larger that provides a facility for any type of indoor social gathering and consisting of multipurpose meeting and/or recreational facilities, typically consisting of one or more meeting or multipurpose rooms, commercial kitchen, and adequate bathroom facilities, that are available for use by various private groups for activities such as meetings, parties, receptions, and dances; and 2) 17.57.040 Conditional uses,

striking "commercial recreational facilities" listed in subsection G and adding subsection O, Small Agricultural Event Center. If the Commission approves, it should move it forward to the City Council for consideration and adoption.

Chairman Lucas suspended the rules to allow a member of the audience to speak to the matter. There were no objections.

**Cecilia Matlock**, owner of agricultural property, testified that in the City of Palmer, agriculture is defined as five acres minimum; noted that the new proposal defines a minimum of ten acres or more. She asked that the Commission reconsider the 10 acres back to five, noting that there are very few 10-acre parcels left. Also, there is an events center doing the same thing that she wants to do which just opened across the street from her that is on property less than three acres. She requested defining the agricultural land minimum at five acres or allow her to qualify for a conditional use because she as two 5-acre parcels next to each other.

The Commission returned to regular rules.

#### Discussion:

Commissioner Cruthers commented that the biggest concerns were noise and traffic; that specific reasonable conditions could be imposed to mitigate the noise generated by music and traffic and that if owner failed to comply, the conditional use would be revoked or placed in jeopardy. He also advocated a setback of at least 150' from the property lines and that a 3-year probation period for compliance with the conditions be imposed.

Commissioner Kerslake pointed out regarding the five acres versus ten acres that it is more about location of the building from the property line.

Commissioner Maxwell agreed if a condition could be placed that the building must be so many feet from the property line.

Commissioner Fuller also agreed with Commissioner Kerslake; that this would promote a new venue or business potential coming to Palmer; regarding noise, he doesn't think it will be an issue if it follows the same protocols that are already required by city ordinances. These same protocols could be stated as conditions in a conditional use permit.

Chairman Lucas thinks that the potential restrictions of the CUP would be adequate and he would not be opposed to reducing the minimum to five acres.

Commissioner Kircher spoke in favor of performance oriented standards to allow flexibility; pointed out that this allows a business to come in that will not only add to the community but try to do something a little bit different.

Commissioner Cruthers moved, seconded by Commissioner Maxwell, for approval

of Ordinance No. 16-0xx and move it forward to the City Council for consideration and adoption.

### Amendment No. 1:

**Commissioner Fuller** moved, seconded by **Commissioner Cruthers**, to amend the main motion to reduce the 10-acre limitation to a 5-acre limitation.

### Roll Call Vote on Amendment No. 1: Carried Unanimously.

Bid Tabulation

**Summary Statement:** Based upon the preliminary approval by the FAA of PAQ's pre-application and CIP/DATA sheet, the City issued a RFP on September 6, 2016, for consulting engineering services for the Rehabilitation and Repaving of Runway 16/34. Proposals will be opened on October 4, 2016, with evaluation and recommendation by October 7, 2016. The selected Consulting Engineering Firm will prepare engineering plans (excluding initial environmental documents), specifications and cost estimates for:

- The rehabilitation and repaving of Runway 16/34
- The extension of the Runway Protection Zone for Runway 16/34 and bringing it up to current FAA standards
- The construction of the partial base layer for the proposed expansion of the Large Aircraft Apron extending north, using asphalt millings from the rehabilitation of and repaving of runway 16/34 and the base of the abandoned taxiway in front of the Flight Service Station.
- The repositioning of hold signs located too close to runway 16/34
- The removal of trees and soil mounds as directed by the Obstacle Action Plan, nearing completion.

The selected Consulting Engineering Firm shall provide the city with design concepts, final design/bid documents, and will assist the city in the bid process.

The consultant will assist the City in all aspects of acquiring and administrating the Federal Aviation Administration (FAA) grant associated with this project. The consultant will prepare a complete FAA AIP planning grant application package including all forms, attachments, supporting documents, designs, plans and specifications in accordance with FAA Advisory Circulars to provide a complete package that will be accepted by the FAA. The consultant will coordinate with the FAA and to track the grant application and assist with providing any follow-up information requested by the FAA.

Initial funding for these consulting services will be paid for through SOA Grant 15-DC-128 approved for \$400K for RW 16/34 project. Once the anticipated FAA AIP grant is in place, these upfront costs will be reimbursed at a 93.75% rate and reimbursement proceeds will be used towards the remaining 6.25% matching funds (\$625K) required of the City of Palmer for the overall project costs. The City must spend the \$400K SOA grant funds and complete the RW 16/34 project prior to June 30, 2019, or we will lose the \$400K grant.

Administration Recommendation: Authorize Action Memorandum No. 16-065.
