**Palmer City Council Meeting**

**Meeting Date:** 03/12/2024

**Submitted For:** Brad Hanson, Community Development Director

**Department:** Community Development

**Agenda Category:** Consent Agenda

**Legislation Number:** AM 24-014

**Approved**

---

**Subject**

Authorizing the City Manager to Purchase an Exmark Lazer Z Lawn Mower From Alaska Electric & Control Inc. DBA Jewell Equipment for an Amount not to Exceed \$21,720.28

**Summary Statement/Background**

In the 2024 city budget, the Palmer City Council approved the purchase of a new lawn mower for the Community Development Parks crew. The preferred lawn mower is the same brand as the two other mowers in our Parks Department fleet. The mower will be equipped with grass and debris collection abilities and is Exmark's best commercial grade mower. This will allow for the crew to manage the pickup of clippings and assist in weed control in the downtown area. Other makes and models were evaluated. However, because of price and availability, the Exmark is the preferred choice.

**Administration's Recommendation:**

Adopt Action Memorandum 24-014, Authorizing the City Manager to Purchase a lawn mower from Alaska Electric & Control Inc. DBA Jewell Equipment in the amount not to exceed \$21,720.28

---
